Ahoy! All hands are invited to participate in the launching of our 2019 sailing season. We've much in store! A cash bar will await you, as well as a slide show of photos taken during our Hawaii, OWT, Magothy River, Apostle Islands and Maine Windjammer trips, not to mention our recent trip to Key West! There'll be several displays highlighting the exciting trips for the 2019 sailing season. Trip leaders will be standing by to explain details and to receive your deposits. Sign-up forms and information packages will also be available. During our full course deli buffet, we'll enjoy a brief business meeting and participate in the installation of our new Board members. There are also prizes to be won in between trip presentations.
